

Joy Cellars

2019 BLISS

WINEMAKER NOTES

This wine was made with three different sustainably-farmed varietals. The Cabernet Franc, Tannat and Merlot all contribute to the structure and flavors of this wine. This red blend offers fruit characters of strawberry, blackberry, black currant and raspberry, followed by smoky, meaty and earthy characters. This off-dry wine has silky tannins in the attack, which increase in intensity to saturate the juicy mouthfeel and finish. This strong, intense blend offers great harmony between acidity, tannins and sweetness.
